MEADOWBANK DESIGNS of SUBURBAN PHILADELPHIA (WAYNE, PA)
Receives Houzz's 2013 'Best Of Houzz' Award
Annual Survey and Analysis of 11 Million Monthly Users
Reveals Top-Rated U.S. Professionals

Wayne, PA -- March 21, 2013 – Meadowbank Designs of (Wayne, PA) has been awarded “Best Of Houzz” 2013 by Houzz, the leading online platform for residential remodeling and design. Meadowbank Designs was chosen for a *Design Award* by the more than 11 million monthly users that comprise the Houzz community.

The Houzz “Best Of Houzz” award for 2013 is given in two categories: *Customer Satisfaction* and *Design*. *Customer Satisfaction* award winners are based on homeowner members who rated their experience working with remodeling professionals in 12 categories ranging from architects, and interior designers to contractors and other residential remodeling professionals. *Design* award winners' work was the most popular among the community of 11 million monthly users, also known as “Houzzers,” who saved more than 124 million professional images of home interiors and exteriors to their personal ideabooks via the Houzz site, iPad/iPhone app and Android app.

“Meadowbank Designs is thrilled to have been recognized by the Houzz community for our firm’s work on this Georgian Revival home in Rosemont, Pennsylvania,” said Kirsten McCoy, Principal. This particular project featured a complete renovation of the house, installing a classic black and white marble in the foyer, to set the tone for the homeowner’s collection of heirloom antiques. This same interior design project also features a very popular room with a distinct printed sofa that was added to over 9,000 ideabooks by the www.houzz.com community.

“Houzz provides homeowners with an in-depth, 360-degree view of building, remodeling and design professionals through images of their work, reviews and an opportunity to interact with them directly in the Houzz community,” said Liza Hausman, vice president of community. “We’re delighted to recognize Meadowbank Designs among our “Best Of” professionals for design as judged by our community of homeowners and design enthusiasts who are actively remodeling and decorating their homes.”

With Houzz, homeowners can identify not only the top-rated professionals like Meadowbank Designs, but also those whose work matches their own aspirations for their home. Homeowners can also evaluate professionals by contacting them directly on the Houzz platform, asking questions about their work and evaluating their responses to questions from others in the Houzz community.

About Meadowbank Designs

Kirsten McCoy and Laura Buchner are the principal designers of Meadowbank Designs, both with Masters of Science degrees from Drexel University in Interior Architecture. The firm was founded in 1982 by Penny Steele and named after her estate on Philadelphia’s Main Line.

Meadowbank Designs prides itself upon designing custom homes with traditional and transitional style from start to finish. From historic preservation, vacation homes, to additions and renovations, the firm has completed a wide range of projects throughout the country for generations of clients. Whether it is a custom designed piece of furniture or a one-of-a-kind lighting fixture, Meadowbank Designs uses only the best artisans and craftsmen to transform designs on paper to reality. Clients value their ability to focus on all of the details from the smallest throw pillow to the most elegant window treatment design.

Meadowbank Designs’ core strengths include color sensibility, appreciation for fine arts and antiques, kitchen and bathroom design, custom cabinetry solutions, lighting, and tailored interior product design.
