**Meadowbank Designs of Suburban Philadelphia (Wayne, PA)
Receives Best Of Houzz 2014 Award for Design and Customer Service**

***Annual Survey and Analysis of 16 Million Monthly Users
Reveals Top-Rated Building, Remodeling and Design Professionals***

Wayne, PA, March 17, 2014 – **Meadowbank Designs** of **Wayne, PA** has been awarded “Best Of Houzz” by Houzz, the leading platform for home remodeling and design. The Suburban Philadelphia interior design firm was chosen by the more than 16 million monthly users that comprise the Houzz community in both the Design and Customer Service categories. Only 4% of professionals on Houzz received this accolade.

The Best Of Houzz award is given in two categories: Customer Satisfaction and Design. Customer Satisfaction honors are determined by a variety of factors, including the number and quality of client reviews a professional received in 2013. Design award winners' work was the most popular among the more than 16 million monthly users on Houzz, known as “Houzzers,” who saved more than 230 million professional images of home interiors and exteriors to their personal ideabooks via the Houzz site, [iPad/iPhone app](#) and [Android app](#). Winners will receive a “Best Of Houzz 2014” badge on their profiles, showing the Houzz community their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every metro area on Houzz.

“Meadowbank Designs is elated to be recognized by Houzz for our firm's design efforts for kids' rooms.” says Kirsten McCoy, Principal of Meadowbank Designs. Meadowbank Designs has an atypical approach to designing rooms for the younger set. “We always view children's rooms as multifunctional - they have to be attractive for the parents' wants, utilize storage for future use, and also be durable and carefree.” Meadowbank Designs believes that homeowners can have it all and also have a style that can grow with the child by changing out the bedding, wall art and little accessories.

Meadowbank Designs' winning photo above was added to nearly 2,000 ideabooks on Houzz. This room was designed for a teenager who would soon be heading off to college and there would be no need to renovate again. The custom painted chest is by Jane Keltner designs, the antique settee is the client's own and was reupholstered for the room. The desk is from Jane Keltner, the carpeting is from Glen Eden and custom window treatment fabric and trim are by Brunschwig & Fils. All of the elements come together in this age appropriate color palette of blues, yellows and greens.

Additional examples of Meadowbank Designs' kids' rooms are included below.

"Houzz provides homeowners with the most comprehensive view of home building, remodeling and design professionals, empowering them to find and hire the right professional to execute their vision," said Liza Hausman, vice president of community for Houzz. "We're delighted to recognize **Meadowbank Designs** among our "Best Of" professionals for both customer satisfaction and design as judged by our community of homeowners and design enthusiasts who are actively remodeling and decorating their homes."

With Houzz, homeowners can identify not only the top-rated professionals like **Meadowbank Designs**, but also those whose work matches their own aspirations for their home. Homeowners can also evaluate professionals by contacting them directly on the Houzz platform, asking questions about their work and reviewing their responses to questions from others in the Houzz community.
