

Makeover Magic

There's no better time to freshen up your home. By Tara Behan

Whether it's a new kitchen, a bathroom update, or an extensive addition, there's a massive talent pool out there—all of it quite capable of transforming your blah "before" into an amazing "after." Here's some inspiration.

Garden Center, Landscaping, Hardscaping

Before

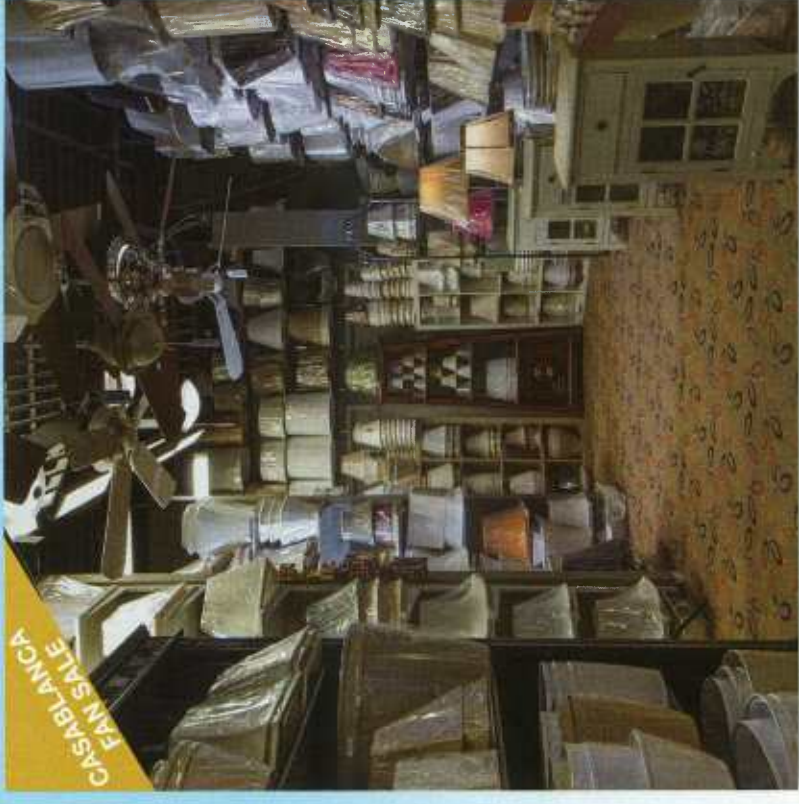

After

MAIN LINE
 Gardens

Main Line Gardens is more than just a full service garden center for professional landscaping and hardscaping – we are architects of beautiful, functional outdoor living spaces that provide a lifetime of enjoyment. To create your own paradise, you can choose from our extensive selection of the highest quality plants, trees, shrubs, flowers, mulch, and stones to add texture and color. Our team of landscaping professionals takes a full service approach to designing, delivering and installing your outdoor landscaping vision. From concept to completion, Main Line Gardens will oversee every aspect of creating a custom landscape to complement your home involving you every step of the way. At Main Line Gardens we take great pride in providing the highest standard of service, no matter how big or small the job.

KODY LIGHTING

SINCE 1950

& SHADES

You can't see our shade department by looking in our window. Bring your lamps when buying shades you will save 10 to 25%.

Kody Lighting the premier source for distinctive lighting. Since 1950 we have provided the region's design professionals and private individuals with the highest quality fixtures for both commercial and residential projects. Unlike others, Kody's started in the lamp shade business so our shade selection and expertise are unrivaled. There is no project too small or too large - from restoration of antique and current lamps and fixtures, to the replacement shades for a hotel. If you see an item anywhere on the net we can obtain it for you at a competitive price.

We are here to serve you. Just Ask.

Go Green

Creative landscaping: the icing on the cake.

(1) Stoney Bank Nurseries restored the grounds of this historic home in Rose Valley. (2) Credit Meadowbank Designs with the stunning patio and living area of this French Norman-style farmhouse. (3) In Radnor, an attached gazebo by Aardweg Landscaping appears to be floating in a sea of hosta, astilbe and hydrangea.

Into the Liquid

Mind-blowing water features.

(1) An exceptional pool-and-spa combo by Anthony & Sylvan Pools is the inviting centerpiece of this outdoor entertaining space in Haverford. (2) Two gorgeous planters from West Conshohocken's Garden Accents are the perfect accompaniment to an Old World-style pool and more in Villanova.

Out + About

Natural extensions of the home.

(1-2) Koi ponds, a fireplace and elongated stone pavers are just a few highlights of this West Chester project by Stoney Bank Nurseries. A separate seating area is perfect for viewing a banana tree that's stored away in winter. (3) A hillside pergola by Meadowbank Designs. (4) A tranquil patio escape in Broomall, with a pond and waterfall, courtesy of Naturescapes.
